Tree Planting Day

We have been really lucky and secured 420 trees through the Woodland Trust. We would love to involve you all in planting them! We are having a tree planting day on 26th April from 10am to 2.30pm. If you can attend at anytime that day then please drop in and you can plant a tree with your child/children. We are also looking for donations of spades and other gardening tools.

Breakfast Club

Last week we had a visit from the National School Breakfast. They thought our Club was 'amazing' and especially loved our Bagel bars! Remember anyone can access the Breakfast club after 8.15am for free!

Opal

We are working hard to improve playtimes for all of the children and have begun an initiative called OPAL. This stands for Outdoor Play and Learning. This is a really exciting time for us as we will be improving the environment outdoors and improving our play offer. There will be an assembly for all parents on Friday 26th April at 9am where you can listen to an OPAL expert called Ingrid. She will tell you all about the amazing programme and there will be an opportunity to ask questions. There will be refreshments available.

Class Assemblies

After your child's class assembly there will be tea/coffee available and a chance to have an informal chat with your child's class teacher and each other!

Attendance

It is so important for your child/children to be in school everyday. We set a whole school target of 96%, currently we are below this. Evidence shows if your child is not in school, they will fall behind with their education. Even a day here or there has a huge impact. Please help us to improve attendance at Hasting Hill.

Comic Relief

We raised a total of 168.50 for Comic Relief. Well Done!
