

Hasting Hill Academy
Sports Grant Action Plan 2019 - 2020

DFE Objective: Schools must spend this grant on making additional and sustainable improvements to the provision of PE and sport for the benefit of all pupils to encourage the development of healthy, active lifestyles.

Hasting Hill Academy has been allocated £18,600 in the financial year 2019/20.

| School Objective | Cost | Success Criteria | Proposed Outcome/Impact |
|--|--------|---|--|
| To improve the health and fitness of children. | £2,500 | Increased % of pupils taking part in sports clubs over the year. Offer wider sporting opportunities through clubs and enrichment to give children experiences of different sports. | Sports Clubs and enrichment activities open to children across the school from y1-y6. Provide a variety of sporting activities across the year to engage as many children as possible. Led by professional coaches and school staff. |
| To provide personalised training for teachers and teaching assistants. | £6000 | Improve quality of PE and club sessions. Increase % of pupils attending sports clubs from previous year. Greater active participation in PE lessons. | Staff are more creative and confident in their delivery of PE sessions, leading to fewer incidents of disengagement amongst pupils. |
| Children have the opportunity to realise developmental, character – building experiences through competitions and active pursuits. | £500 | Increase % of tournaments attended. Offer a wide range of competitions for children to attend. | A higher percentage of pupils participate in competitive and non-competitive sporting events with schools both within and outside the trust. |

| | | | |
|---|-------|---|---|
| | | | |
| Enhance lunchtime provision to lower incidents of challenging behaviour through the Opal scheme. Develop resilience, determination and self-belief. | £6000 | Equipment purchased for use at lunchtimes. Lunchtime staff trained in facilitating play and activities. | Pupils show a high level of engagement in physical activity at lunchtime, leading to fewer incidents of challenging behaviour. Play offer significantly improved. All children take part in 60 minutes of physical activity every day. |
| Improve quality of sports day equipment, allowing a bigger range of events. | £500 | Improve quality of equipment used in sports days throughout the school. Increase the range of activities incorporated into sports days at all levels. | High quality equipment ensures that a range of activities can be on offer during sports day, promoting a high level of engagement at all levels. |
| Increase pupil participation in PE sessions through the purchase of spare PE kit. | £500 | Increased % of pupil taking part in PE lessons each week. NC requirements of PE being met effectively. | All pupils participate in regular PE sessions and show a high level of engagement. |
| Reapply for the Gold Schools Games Mark | £500 | The school is awarded the Gold Schools Games Mark for a second year running. | HLTA (PE lead) has appropriate release time to maintain the charter mark. |
| Provide a broad and balanced curriculum, which uses the outdoors as a stimulus. | £1100 | Pupils across the school are actively engaged in using the outdoors to enhance their learning across the curriculum. | Use of the outdoors leads to an increased level of engagement for learning and positive learning behaviours are promoted. Pupils show a willingness to be outdoors. Parents understand the importance of outdoor learning. |
| Provide broader experience of a range of sports and activities offered to all pupils via an outward bound residential. | £1000 | Subsidise residential to allow the trip to be more accessible to all students. Pupils engage in a range of different | Children will be confident to try new activities and build up resilience and self-belief. |

| | | activities such as canoeing, archery, rock climbing, gauge walking and fell walking. | |
| Total Expenditure | £18.600 | | |

Impact of spending 2018/19

Last year we saw an increase in the number of children that attended competitions and the range of activities that were offered to children in school. We had a new Dance club introduced, Dodge ball, Football and Skipping clubs. We have attended a range of festivals, which have included a Skipping festival. The children have enjoyed the range of activity that was offered last year and been exposed to an increase in physical activity. We were successful in achieving the Gold Schools Game mark and were also awarded the Rights Respecting School award at silver, which ensures every child has the right to physical activity.

How improvements will be sustainable

Staff will continue to receive high quality CPD which will lead to high quality teaching in the future. We will reapply for the Games Mark annually and through OPAL ensure that children are exposed to at least 60 minutes of physical activity every day.

Swimming Figures (Year 6)

90% of children can swim competently, confidently and proficiently over a distance of at least 25 metres.

72% of children can use a range of strokes effectively.

54% of children can perform safe self-rescue in different water-based situations.

Currently Year 4 and Year 5 attend weekly swimming session at the local secondary school.
