We Inspire Success and Excellence

Monday 29th June 2020,

Dear Parents/ Carers,

As we come towards the end of the school year, this letter is to inform you of the new classes for the 20/21 academic year.

children. Children will be taught the full curriculum for their year groups. Parents of children in mixed age classes will receive a text / email this week to say which class their child will be in.

Due to the current situation with COVID-19 we have been unable to provide transition arrangements, as normal, to help your child settle into their new class. To support this, we have asked all teachers to make a short video introducing themselves. These will be available on the school website by the end of this week. We hope you and your child will find them useful.

Please do not hesitate to contact us if you have any questions.

Yours Sincerely
