Nicola.Jackman@wiseacademies.co.uk

Mrs E Innerd
Designated Safeguarding Lead
Emma.innerd@wiseacademies.co.uk

We have a duty of care at Hasting Hill Academy and keeping children happy and safe is a priority for us. If you have any concerns about the health and safety of one of our pupils then you must report it to a member of staff. If the concern is serious, you must report it to a member of staff above as soon as possible. The CEO of WISE Academies is Mrs Z Carr and she can be contacted at z.carr@wiseacademies.co.uk if you feel this can't be discussed with the relevant people.

All visitors need to sign in at the main office and must wear their ID badges whilst on the premises. Handbags, phones etc., need to be placed in the lockers provided.

In the event hearing the fire alarm please proceed to the school playground which is directly behind the school building. Please refrain from smoking anywhere on the school premises.
